v.

Defendants.

No: 1:11-cv-00483

Judge Robert J. Jonker

JOINT STATUS REPORT

The parties present this Joint Status Report pursuant to the Court's Order of October 6, 2023 (Doc. No. 983).

Counsel for the parties have conferred regarding the effect of the Sixth Circuit’s mandate on this Court’s prior judgment and interlocutory orders. The parties generally agree that no further trial or discovery proceedings are necessary in the case, and that the Court should enter a final judgment consistent with the Sixth Circuit mandate. But some of the parties disagree as to the scope of that judgment.

In light of the Consent Decree NCR entered into with the U.S. Environmental Protection Agency, the parties expect to reach agreement on the form of the final judgment as to NCR.

As to the other parties, counsel respectfully request that the Court accept briefing regarding the scope and form of the final judgment on the following proposed schedule:

1. Parties to submit opening briefs on any disputed issues on December 1, 2023.
2. Parties to submit responsive briefing on January 12, 2024.

Weyerhaeuser will seek reimbursement of the prior judgment it paid to Georgia-Pacific and hopes to reach agreement with Georgia-Pacific regarding the amount owed, with interest. If the parties are unable to reach agreement, counsel respectfully request that the Court accept briefing on the issue on the same schedule as proposed above.

The parties respectfully submit that because the Court's final judgment in this case will almost certainly affect the currently stayed case pending before this Court styled as *International Paper Company v. Georgia-Pacific Consumer Products LP. et al.*, Case No. 1:18-cv-1229, the Stay Order (ECF Doc. No. 24) should continue until the final judgment is entered in this case, Case No. 1:11-cv-00483.

Respectfully submitted this 30th day of October, 2023.
